

What You Will Find Here

If you're married or thinking of getting married, this website is for you. You'll find four things at the Enjoy Being Married Website:
A searchable Do-It-Yourself Marriage Education Resource Guide
Listings of free teleclasses on how to Enjoy Being Married
Podcasts on how to Enjoy Being Married
eBooks on how to Enjoy Being Married
To receive invitations to Patty Newbold's free teleclasses, links to download free eBooks, and monthly marriage tips, please sign up for our newsletter.

The Resource Directory is a work in progress. Please send your recommendations. Our aim is to supplement the many wonderful marriage education classes available in the U.S. with do-it-yourself options for learning how to enjoy being married. There are many available, but they can be difficult to find when you need them. We want to make it easier.
