Minimizing an Often Overlooked Obstacle to Good Performance

6:30pm to 8:30pm

Speaker: Patty Newbold, President, Enjoy Being Married, LLC  
Patty Newbold, Certified Performance Technologist and President of MOST Performance Improvement, has 34 years of performance improvement consulting experience. She has helped IBM, AT&T, J&J, Popeyes, the University of Pennsylvania, and others make it easier for their employees to do a good job. Along the way, she discovered something. Unhappy marriages can torpedo job performance and our attempts to improve it. Patty will reveal easy ways for managers and trainers to help employees enjoy happier marriages, without becoming amateur marriage counselors.
